MASI

• AMBASSADE •

The Masi story is the history of a family and its vineyards in Valpolicella: one of the finest Italian wine production zones, stretching from Verona to Lake Garda. The name of the company comes from "Vaio dei Masi", the small valley purchased by the Boscaini family in 1772, still in family hands.

Masi has recognised expertise in the Appassimento technique, as practiced in the region since the time of the Ancient Romans. Today, Masi produces five different Amarones, the widest and most qualified range on the international market. Costasera is its flagship wine in the world and a benchmark in the Amarone category. Italy's finest wines, in fact, include Amarone, together with Barolo and Brunello.
