

MONTI X MASI

• AMBASSADE •

The Masi story is the history of a family and its vineyards in Valpolicella: one of the finest Italian wine production zones, stretching from Verona to Lake Garda. The name of the company comes from "Vaio dei Masi", the small valley purchased by the Boscaini family in 1772, still in family hands.

Masi has recognised expertise in the Appassimento technique, as practiced in the region since the time of the Ancient Romans. Today, Masi produces five different Amarones, the widest and most qualified range on the international market. Costasera is its flagship wine in the world and a benchmark in the Amarone category. "Italy's finest wines", in fact, include Amarone, together with Barolo and Brunello.

DINE, IMBIBE AND PLAY BY THE WATERFRONT

Welcome to our vibrant fusion of Italian and Asian flavours, where the traditions of two rich culinary worlds collide to create a symphony of taste sensations. Our modern classic cocktail menu is a celebration of harmony, blending the time-honoured craftsmanship of Italian mixology with the exotic ingredients and techniques of Asia. Each libation is a work of art, carefully crafted to showcase the best of both worlds – from the zesty freshness of Italian citrus to the bold spices of the Far East.

From all of us at MONTI, welcome to our home.

MONTI's use of the Solera system, borrowed from winemaking, infuses our cocktails with a rich, evolving flavour profile as each batch inherits nuances from previous batches.

ITALIAN CRAFT BEERS FROM BALADIN

ISAAC 5% vol, Witbier

17

A hay-yellow blanche, with hazy and cloudy appearance and a moderate, fine head. The scents are pleasantly citrusy and subtle aromas of spices intensify as the beer becomes warmer.

L'IPPA 5.5% vol, India Pale Ale

17

Surprisingly easy to drink and leaves your mouth clean and satisfied, thanks to its balanced bitterness and the harmonious use of hops.

ROCK & ROLL 7.5% vol, American Pale Ale

19

Like in a modern musical, when sipped, the cereals sing their sweet notes while the ensemble of pepper, spices and hops supports them with a powerful counterpoint.

ITALIAN NON-ALCOHOLIC BEERS FROM BALADIN

BALADIN BOTANIC BLANCHE <i>Hazy Straw-Yellow Colour with a Delicate White Foam</i> <i>On the nose, the floral notes of chamomile stand out, closing with a pleasant hint of cereals.</i> <i>On the palate, the sweet notes of malted cereals are well-balanced by a distinct yet harmonious bitterness from the hops and orange peel.</i>		12
BALADIN BOTANIC IPA <i>Copper-Gold Colour with a Light and Evanescent Foam</i> <i>On the nose, citrus aromas stand out, with notes of bitter orange peel and grapefruit, finishing with hints of bread crust. On the palate, the light body is characterised by the bitterness of hops and its citrusy notes, leading to a long and pleasant finish with flavours of cereal and gentian root.</i>		12

ITALIAN SOFT DRINKS FROM BALADIN

COLA BALADIN <i>A unique, natural cola made with kola nuts from Sierra Leone's "Kola Slow Food Presidium", supporting biodiversity. This red cola, free from artificial colours and preservatives, stands out with its distinct colour and purpose.</i>		8
CEDRATA <i>Experience the taste of tradition with Cedrata, a refreshing drink made from Calabria citrons, brown sugar, and lemon juice. Free from colourings and preservatives, it offers the true, vibrant flavour of Mediterranean lemons.</i>		8
GINGER BALADIN <i>An Italian classic with a twist—crafted from brown sugar, lemon juice, and a unique infusion of herbs, zests, spices, and vanilla. Rich in aroma and flavour but, surprisingly, no ginger!</i>		8
SPUMA NERA <i>A nod to tradition, Spuma Nera combines chinotto with rhubarb root, orange zest, and vanilla for a rich, unique flavour.</i>		8
TONICA AL POMPELMO <i>Stands out at first sight with its pink hues. The balance between the citrus aroma of pink grapefruit and the bitter notes of quinine makes this tonic water particularly palatable and refreshing.</i>		8

MONTI

FILTERED WATER

As part of our commitment to sustainability, MONTI is now serving in-house filtered water. This initiative seeks to reduce the carbon emissions generated by producing, packaging, and transporting imported bottled water.
